STATE OF CALIFORNIA
Fish and Game Commission

June 6, 2006

TO ALL INTERESTED AND AFFECTED PARTIES

This is to provide you with a copy of a continuation notice of proposed regulatory action relative to Section 679, Title 14, California Code of Regulations. We are also providing you with a copy of the amended proposed language. Please note the added language is double underlined, with previously proposed changes shown as strike out/underline.

The receipt of written and oral comments may be made up to and at public discussion and adoption hearing scheduled for June 23, 2006 at Mammoth Lakes. We are providing a 15-day comment period on the modified language. You may submit written comments to the Commission office and/or attend the June 23, 2006 hearing in Mammoth Lakes and offer testimony.

Sincerely,

Jon D. Snellstrom
Associate Government Program Analyst
